**Veterinary Technician's Daily Reference Guide** Candyce M. Jack 2014-02-28 **Veterinary Technician's Daily Reference Guide: Canine and Feline, Third Edition** provides a quick reference to all aspects of a technician's daily responsibilities in clinical practice. Retaining the tabular format for easy access, the Third Edition adds more in-depth skill descriptions, allowing the technician to reach an even higher level of care. Coverage ranges from anatomy and preventative care to diagnostic and patient care skills, pain management, anesthesia, and pharmacology. Now fully revised and updated, the book is designed to build on a veterinary technician's current knowledge, acting as a quick refresher in the daily clinic setting. A companion website offers forms and worksheets, training materials, review questions, vocabulary flashcards, links to online resources, and the figures from the book in PowerPoint. The Third Edition is an invaluable practical resource for increasing confidence and improving technical skills for veterinary technicians.

**Learning & Teaching in Higher Education** Greg Light 2001-07-23 This book addresses the practice of learning and teaching within higher education. Higher education is currently a sector challenged worldwide by increased numbers and diversity of students, tougher demands for professional accountability, increasing calls for educational relevance, thinning resources and the exacting demands of a global education market. This book brings together key issues of theory and practice to develop an overall professional 'language' of teaching situated within communities of academic practice. This 'language' provides teachers with a conceptual 'vocabulary' and 'grammar' for understanding and improving practice, enables them to critically reflect upon their teaching in a range of key 'genres'
